

McDonald's Kanga Cup Refund and Event Cancellation Policy

As at 16/7/2022

Introduction

The purpose of this policy is to outline the eligibility criteria and procedures for refunds from the McDonald's Kanga Cup. The policy outlines the circumstances in which a refund will be made and relates only to the team fee paid upon registration of the team.

Registration Fee Refunds

Team withdrawals

The \$250 deposit paid upon registration is part of the entry fee but will not be refunded if a team chooses to withdraw from the Tournament.

Teams who withdraw from the Tournament after 27 May, 2022 will forfeit 100% of the entry fee, plus the processing fee.

Any monies paid by teams outside of the above fees (e.g., accommodation or travel costs) are solely the responsibility of the team and will not be covered by Capital Football.

All withdrawals must be submitted in writing via email to info@kangacup.com

COVID-19 Policy

In the event the Tournament is cancelled due to COVID-19 all entry fees will be refunded, minus the processing fee. Capital Football accepts no responsibility for covering travel, accommodation or other costs incurred by the team.

If you are unable to attend the Tournament as a result of a government mandated lockdown or border closure relating to COVID-19, all entry fees will be refunded minus the processing fee.

Tournament Reschedule

In the event the Tournament is rescheduled due to COVID-19, all teams will have the opportunity to transfer their registration to the rescheduled Tournament without having to pay any additional fees.

Any teams who withdraw from the Tournament after transferring their registration will forfeit 100% of the entry fee, plus the processing fee.

Any teams who do not wish to attend the rescheduled Tournament will be offered a refund of all entry fees minus the processing fee.
