

2024 KANGA CUP TEAM REGISTRATION GUIDE ON DRIBL

Step 1:

Go <https://registration.dribl.com/> and click on 'Find a Club'

Step 2:

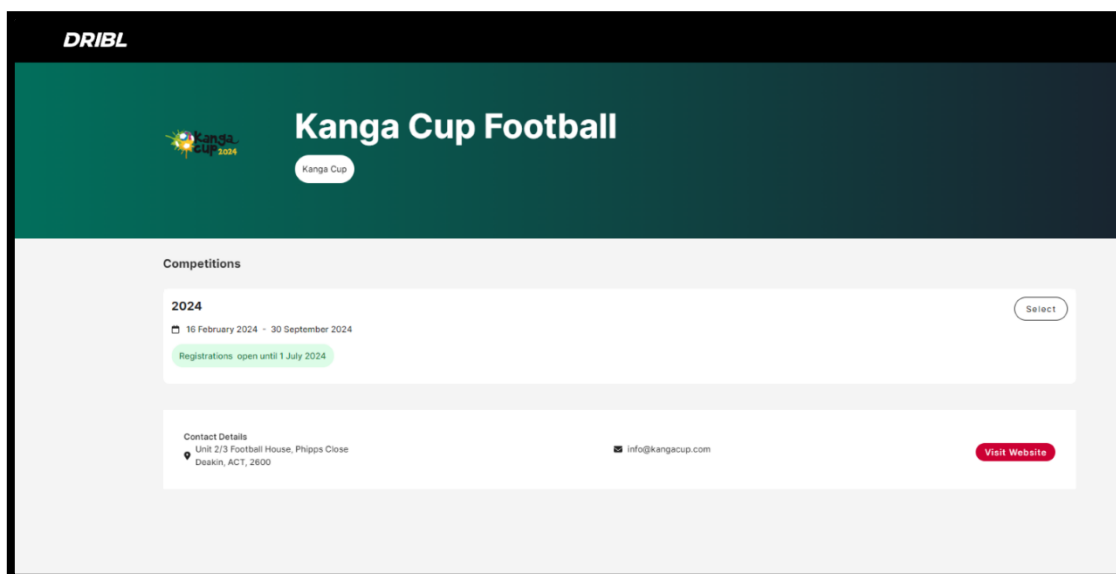

Find the Kanga Cup Club by entering Canberra as the location or searching 'Kanga Cup' by selecting the Club Search option located just below the search bar "Search by".

Select 'Kanga Cup Football'

The screenshot shows the Dribl website interface. At the top, it says "Love. Play. Football". Below this is a search bar with the text "Search by Club name" and a search button labeled "Search". The search bar contains the text "Q kanga Cup". Below the search bar, there are radio buttons for "Search by" with options "Location" and "Club name", where "Club name" is selected. Below this is a "Refine Search" dropdown menu. On the left, there is a list of search results. The first result is "Kanga Cup" with a sub-item "Kanga Cup Football" and a small Kanga Cup logo. Below this is a "Club" label. At the bottom, it says "Showing 1 - 1 of 1" and has pagination controls with a "1" button.

Step 3:

Select the Kanga Cup competition.

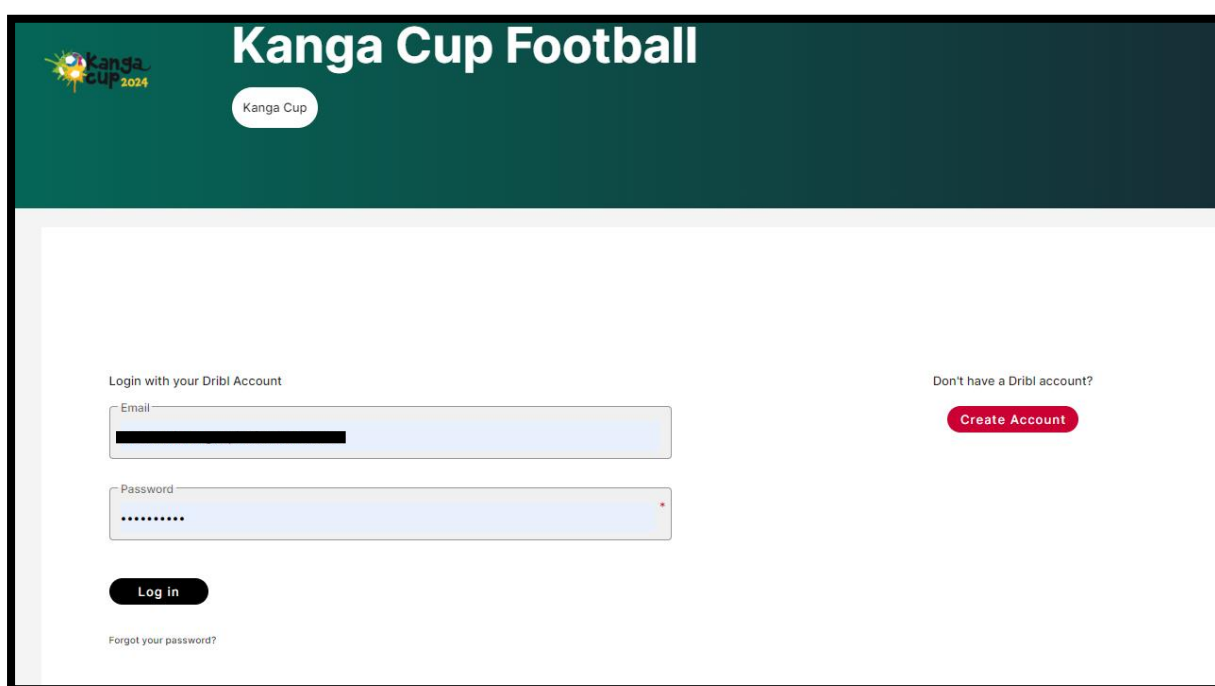

Step 4:

Log in or create account.

If you already have a Dribl account, you can simply log in using your email address and password.

If you **do not** currently have a Dribl account, select 'Create Account' and enter your details.

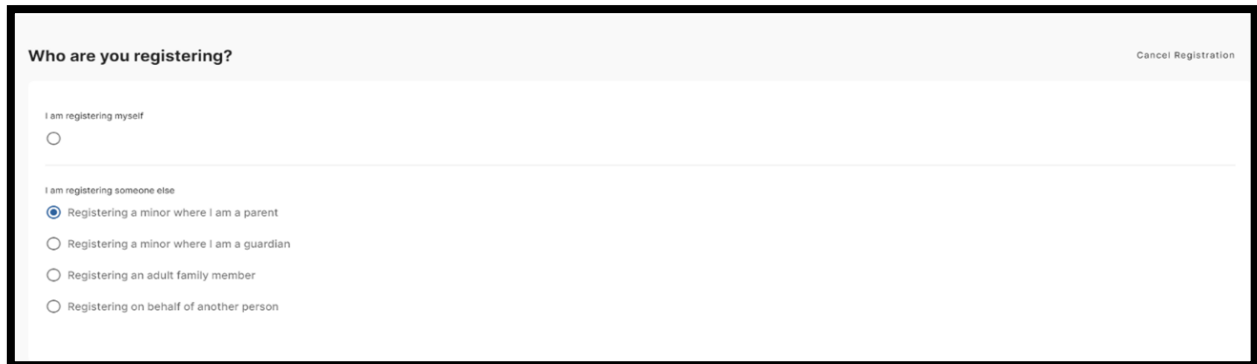

This will require activation. A code will be sent to your email for verification.

Step 5:

Select who you are registering.

If you are registering a team, select your name under the heading 'I am registering myself'

The screenshot shows a form titled "Who are you registering?" with a "Cancel Registration" link in the top right corner. The form is divided into two sections. The first section, "I am registering myself", contains a single radio button. The second section, "I am registering someone else", contains four radio buttons: "Registering a minor where I am a parent" (which is selected), "Registering a minor where I am a guardian", "Registering an adult family member", and "Registering on behalf of another person".

Step 6:

If you have registered anyone on Dribl under the login you entered earlier, their profiles will show here. You can select one of the profiles, which will already have their information saved.

The screenshot shows a form titled "Member Profiles" with "Close" and "Cancel Registration" links in the top right corner. The form contains two radio button options. The first option is selected and features a blue circular profile picture with a white 'N' and the text "Capital Football". The second option features a generic grey person icon and the text "None, I am registering another family member or dependant."

Step 7:

Now you can review or enter the registrants' details – depending on whether you chose a profile or not in the previous step.
