

2024 KANGA CUP PLAYER AND COACH REGISTRATION GUIDE ON DRIBL

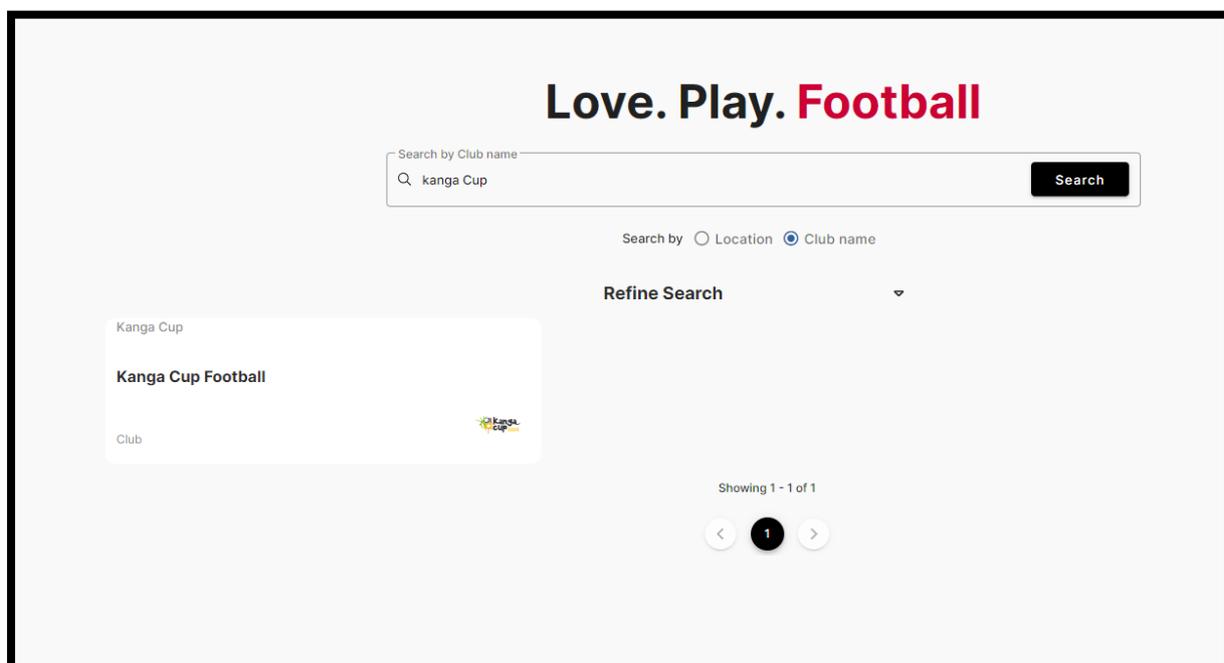

Step 1:

Go <https://registration.dribl.com/> and press 'Find a Club'

Step 2:

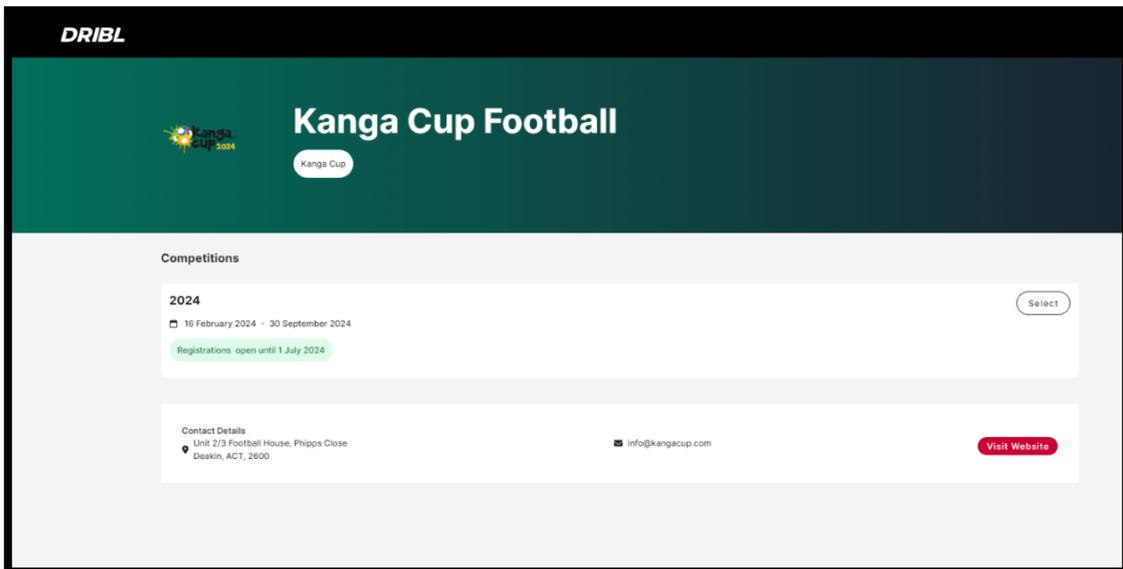

Find the Kanga Cup Club by entering Canberra as the location or searching 'Kanga Cup' by selecting the Club Search option located just below the search bar "Search by".

Select 'Kanga Cup Football'

Step 3:

Select the Kanga Cup competition. This will be the same for players, coaches, and managers

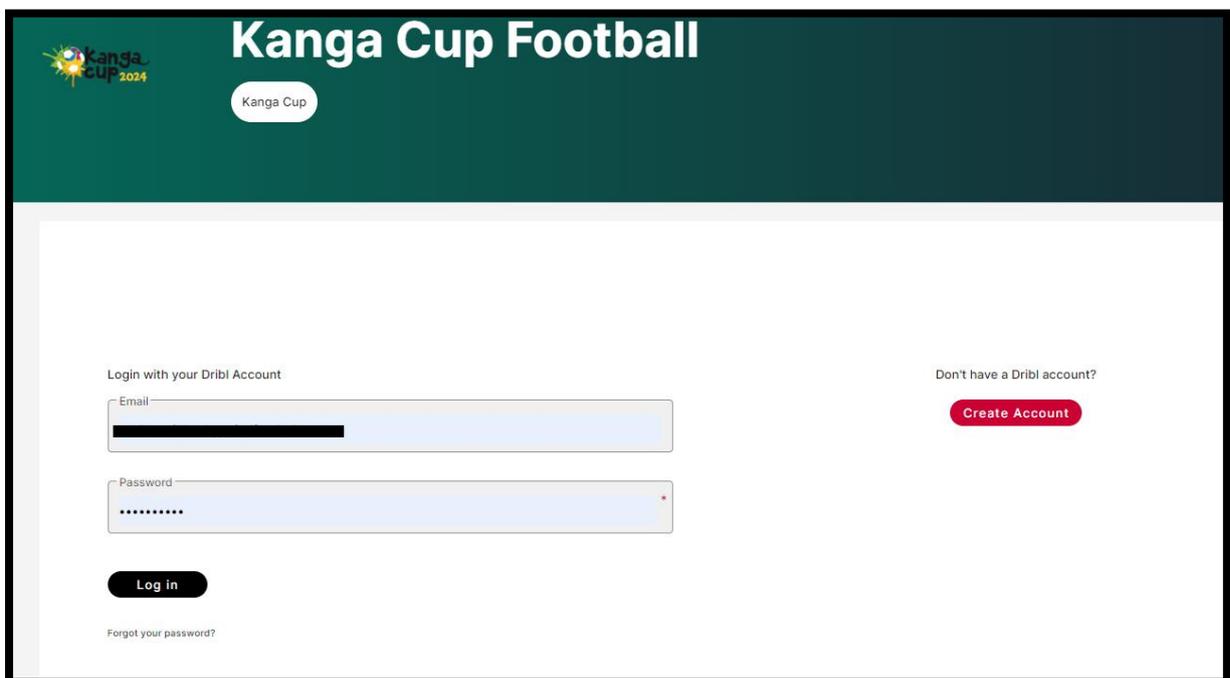

Step 4:

Log in or create account

If you already have a Dribl account, you can simply log in using your email address and password.

If you **do not** currently have a Dribl account, select 'Create Account' and enter your details.

This will require activation. A code will be sent to your email for verification.

Step 5:

Select who you are registering.

If you are registering your child (player), select 'Registering a minor where I am the parent' or 'Registering a minor where I am the guardian'

If you are registering yourself as a coach or manager, select your name under the heading 'I am registering myself'

If you are registering someone else as a coach or manager, select 'Registering an adult family member' or 'Registering on behalf of another person'

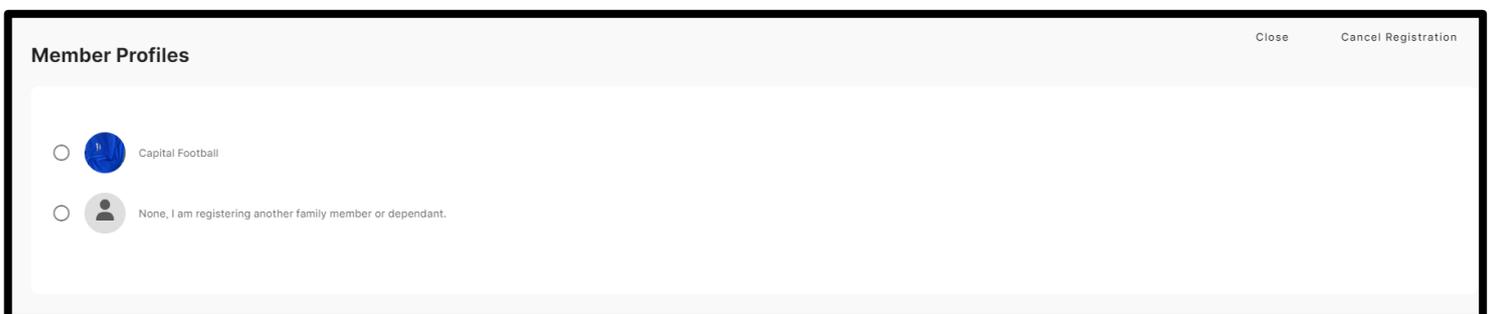

The screenshot shows a registration form titled "Who are you registering?". In the top right corner, there is a link for "Cancel Registration". The form is divided into two sections. The first section, "I am registering myself", contains a radio button next to the name "Deonye Fyfe". The second section, "I am registering someone else", contains four radio buttons: "Registering a minor where I am a parent" (which is selected), "Registering a minor where I am a guardian", "Registering an adult family member", and "Registering on behalf of another person".

Step 6:

If you have registered anyone on Dribl under the login you entered earlier, their profiles will show here. You can select one of the profiles, which will already have their information saved.

If you created a new account, you will select 'None, I am registering another family member or dependant'.

The screenshot shows a selection screen titled "Member Profiles". In the top right corner, there are links for "Close" and "Cancel Registration". There are two options, each with a radio button: "Capital Football" (with a blue profile picture) and "None, I am registering another family member or dependant." (with a grey person icon).

Step 7:

Now you can review or enter the registrants' details – depending whether you chose a profile or not in the previous step.

Please Note: The system will perform auto matching checks on the registrant once first name, last name, Gender and DOB are entered. If a match is found, you will be able to view and select the applicable match that will auto populate the FFA Number and Dribl number for the registrant.
